**Explanation of Evidence:** All African-American students have been assigned to an adult mentor on our campus. The adult mentors are responsible for meeting with their student once a week or more. Each mentor will be responsible for maintaining a log of each time they meet with their mentee.

**Results of Action Taken:** The African-American students are aware of their mentors and will begin working with them effective immediately.

**Reflection:** The mentorship program for African-American students will be paramount to our students' successful journey through ACE. We are looking forward to providing life lessons that are meaningful and inspirational to each of our African-American students.
