

## Evidence of Progress Monitoring

School District of Indian River County  
#SDIRCStrongerTogether

**Date:** 11/18/2020

**School/Department:** Citrus Elementary

**Action Step # and Description:** Action Step 2.9: Monitor the implementation of a student to student peer mentorship program for African American students.

**Explanation of Evidence:** At this time, we are recruiting 5th grade students to mentor students in grade 1. The school counselor is currently receiving students who would benefit from the program in Grade 5.. Once submitted, the school counselor and administrators will pair students together. Our current date goal for starting this mentorship is December 7, 2020. In addition to peer to peer mentoring with our campus, the below steps are being planned for and will be implemented in the 2nd semester.

1. VBHS coach will mentor certain AA students who are facing challenges. This will begin in the 2nd semester. We have reached out to Coach Rahal, coach and teacher at VBHS.
2. Bottom quartile students have been paired with administrators or the school counselor to provide one on one mentoring around academics and behavior.

**Results of Action Taken:** CES will continue working on establishing a peer to peer program to start in December.

**Reflection:** At this time, the programs are just beginning or have not yet started.
