

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 11/17/2020

School/Department: Glendale Elementary

**Action Step
(number and
description):** 2.10 In-School Suspension

**Evidence of Progress
Monitoring
(Please include
narrative/description
of the action taken.
Where applicable,
please include all
measurable data.)**

No Change since the last upload with the process, referral data updated with no change to AA numbers- Glendale Elementary School does not currently have an In-School Suspension Room and uses several options if a student needs to be put into in-school suspension. We have teachers who will create area for the student to work and reflect during this time. We also use the Principal or Assistant Principals Office as needed and when they are in this space work is provided and students can work online as needed. We currently have 14 referrals for the 2020-21 school year with 4 of those coming from transportation. Out of the 10 referrals, 3 are African American Students with 2 of those students getting a referral from transportation for not wearing a mask. We have supported these students and they are having success with the mask mandate.

**Results of Action
Taken:** Two new referrals connected to a non-minority student. No change in referrals or in-school suspension for our African American students.

Reflection: We will continue to review and focus on the A, B, C's during our regular meetings with teachers and staff(A=attendance, B=behavior, C=Course Performance.)
