Action Step 2.9 - Student Peer Mentorship

Monitor the implementation of a student to student peer mentorship program for African American students.

**Explanation of
Evidence:**

We are currently not having students meet for the peer mentorship program due to the Covid guidelines we have in place to keep our students and staff safe.

**Results of
Action Taken:**

We will initiate this program in the second nine weeks or second semester of school as more of our students return to brick and mortar and teachers are able to monitor students outside of class time to allow for this to take place with physical distancing/face coverings, if needed.

Reflection:

While we recognize the importance of peer mentors, we also put safety of our students first. At this time we are not implementing this program.
