

African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County
#SDIRCStrongerTogether

Date: 9/21/2020

School/Department: Pelican Island Elementary

Action Step (number and description): 2.9 Student Peer Mentorship
Monitor the implementation of a student to student peer mentorship program for African American students.

Evidence of Progress Monitoring (Please include narrative/description of the action taken. Where applicable, please include all measurable data.)
Implementation Steps: Baseline data is being collected and analyzed prior to the start of our mentoring program. Below are the steps we plan to take after initial data has been collected with the goal to roll out the program the first week of October.
1. For the 2020-2021 school year, Mr. Lee will invite students to participate in our mentoring program, intentionally inviting African-American males. A meeting schedule will be developed, along with an action plan and activities, to create opportunities for the mentors and mentees to meet at least twice a month throughout the year.

Results of Action Taken:
As a result of previous years success with mentoring, we will continue to implement this model with added precautions for COVID
1. Create a schedule for the Mentor/Mentees following Social Distancing Guidelines (Mr. Lee)
2. Provide sample activities and conversation starters to support the work of the mentors and mentees (Mr. Lee)

Reflection: At this time, these programs are just beginning so there would be no current reflection.
