Action Step # and Description: 2.5 Out-of-School Suspensions
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: SRMS currently has zero out-of-school suspensions for the 2020-21 school year. Evidence is a screenshot of the current FOCUS screen showing zero OSS/ISS compared to 21 for this time last year.

Results of Action Taken: Our Student Success Coach works daily with students and teachers to address problem behaviors before they are able to escalate. We have worked diligently to build relationships with students and teachers to discourage negative behaviors which previously may have resulted in discipline consequences.

Reflection: We will continue to work to maintain positive relationships with students in order to eliminate out of school suspensions.
