

Evidence of Progress Monitoring

School District of Indian River County

#SDIRCStrongerTogether

Date: 10/20/2020

School/Department: Sebastian River Middle

Action Step # and Description: 2.5 Out-of-School Suspensions
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: Evidence includes a current screenshot of FOCUS. SRMS has not had any out-of-school suspensions to date.

Results of Action Taken: No major (Behavior Level 4 or 5) infractions have necessitated a need to seek the Deputy Superintendent's approval for an out-of-school suspension.

Reflection: Our Student Success Coach has been working very diligently with our teachers and administration to implement a variety of interventions to eliminate suspensions. Students who are identified by teachers as having behavior concerns meet regularly with the Success Coach and are monitored closely. Parents are contacted immediately, and a partnership is formed at the first appearance of an issue. We have found this partnership invaluable in keeping our students on track, both academically and behaviorally.
