Good morning, I would like your feedback on incorporating a program here at VBHS called "Mentoring Tomorrow's Leaders". This program was brought to my attention by Ms. Plunkett, she mentioned this is a great program in Broward county as well as effective. Here's a quick overview of the program:
Mentoring Tomorrow's Leaders (MTL) is a peer-to-peer mentoring and student leadership program that serves youth who are at-risk for not graduating and/or remaining in school. The program aims to decrease dropout rates, particularly among minority males, to ensure successful school graduation. Let me know your thoughts on this. Thank you in advance.
