

## African American Achievement Plan Evidence of Progress Monitoring

School District of Indian River County  
#SDIRCStrongerTogether

**Date:** 10/21/2020

**School/Department:** Human Capital & Operations

**Action Step  
(number and  
description):** 4.20 District submits to Equity Committee a monthly report of employment of African American teachers and instructional staff tracked by principals and schools each month.

**Evidence of Progress  
Monitoring  
(Please include  
narrative/description  
of the action taken.  
Where applicable,  
please include all  
measurable data.)** Evidence provided shows African American teachers currently staffed at each school site. Principals send requests for vacancy postings to the Department of Human Resources. Attached spreadsheet lists staff by school and includes retention information.

**Results of Action  
Taken:** HR staff is continually monitoring staffing to increase equity per site. WEpromise Program surveys and visits to schools are being implemented to build climate and culture.

**Reflection:** SDIRC will continue to track and maintain records of all staff including African American Instructional Staff on a monthly basis.
