Action Step # and Description: 4.31_ACE_Support Staff Transition to Teaching - All Schools_111820
(If more than one action step is evidenced here, please include all action step #'s and a brief description of each.)

Explanation of Evidence: One support staff member is currently in the process of obtaining a teaching certificate. She is included in faculty meetings and is an integral part of the team. All teaching assistants are included in the monthly meetings for Culturally Responsive Teaching and the Brain. Teacher assistants are always invited to attend the same professional development opportunities offered to teachers. This year, a long-term substitute transitioned into our success coach.

Results of Action Taken: Teacher assistants have strengthened their knowledge of the curriculum and are able to provide effective support to students and teachers.

The Reflection: Support staff will continue to be encouraged to transition into teaching and included in relevant professional development opportunities.
