Just a point of clarification. You do not need to reserve a time with me now. Right now it's just important to know the date. I provided both links (to be used on July 20th), so if the morning session does not work, you can attend the afternoon session. If you know exactly which session you want and will attend, I can send you a calendar invite if that makes life easier.

I hope your week is going well and that you are staying dry this terrific Tuesday.

A new school year will soon be upon us, and calendars are filling up fast. I just wanted to give you ample time to mark your calendars for **Monday, July 20th**. During this meeting, we will be

reviewing the STAR Program for the 20-21 school year virtually via Teams. You can chose the session that works best for you - a morning session (9:30-10:30 am) or afternoon session (1:30-2:30 pm). It is important that at least one administrator from your building attends this meeting.

Subject: Mentor End of Year Survey

Good afternoon.

We hope that you are enjoying your well deserved summer break.

As you are very well aware, the end of the 2019-2020 school year abruptly ended in a way we could have never imagined. With that being said, we did not have the opportunity to send out our End of Year Survey. It is important to us that your voice is heard.

If you have a few moments, would you kindly consider providing us some honest feedback? It won't take long, and we sincerely appreciate your efforts. Please [CLICK HERE](#) to take the survey.

Again, thank you for your hard work this year, and we can't wait to work alongside you again next school year.

Subject: New Teacher Survey

Good afternoon.

We hope that you are enjoying your well deserved summer break.

As you are very well aware, the end of the 2019-2020 school year abruptly ended in a way we could have never imagined. With that being said, we did not have the opportunity to send out our End of Year Survey. It is important to us that your voice is heard.

If you have a few moments, would you kindly consider providing us some honest feedback? It won't take long, and we sincerely appreciate your efforts. Please [CLICK HERE](#) to take the survey.

Again, thank you for your hard work this year, and we can't wait to work alongside you again next school year.

Good morning!

It is my understanding that Mrs. Dampier has scheduled a meeting with all school-based administrators for 7/20 which conflicts with our STAR Administrator training meeting. I will reschedule this meeting and will email you soon with another date/time for our STAR Administrator training meeting.

Thank you.

Good morning administrators.

This email serves several purposes, so please read all the way to the end.

- Our STAR Administrator Meeting is rescheduled for Monday, July 27th via Teams. Two time slots available for you to choose from - 8:30-9:15 or 11:15-12:00. [Click here to join the 8:30-9:15 meeting.](#) [CLICK HERE to join the 11:15-12:00 meeting.](#) If you prefer an email invite, please let Terri know which time you prefer, and she will happily send you an invite.
- Ten with Terri on Teams - We are setting up 10 minute Teams meetings with each school to review important beginning of the year information - new teacher roster, new hires, years of experience, mentor/mentee pairings, and Clinical Educator list. These ten minutes will be extremely beneficial and save us from miscommunication and many back and forth emails. These meetings are scheduled the week of August 3rd -

7th. [CLICK HERE TO SIGN UP FOR YOUR SLOT](#). Once you have chosen a date/time that works best for you, you will receive a calendar invite confirming the date/time. Within that calendar invite, there will be a link for us to meet via Teams.

- New Teacher Orientation Dates
 - Wednesday, July 29, 2020 from 3:00-5:00 pm at the District Office in the TEC
 - Teachers are encouraged to come during the two hour time frame to claim his/her IT account, obtain his/her name badge, visit vendors, and ask specific questions to payroll, HR, and benefits
 - Thursday, July 30, 2020 from 8:00 am - 4:00 pm at Vero Beach Elementary (all new hires regardless of years of experience)
 - Friday, July 31, 2020 from 8:30 am - 4:00 pm at Vero Beach Elementary (most of the day is designed for the novice teacher, but all are encouraged to attend)
- Speaking of New Teacher Orientation, we are excited to be able to meet face to face with all new hires, but we will have to adhere to social distancing guidelines. We will need to maintain at least six feet apart during this event and having only the new hires in attendance will help us adhere to CDC guidelines. We know that you want to be there to welcome and support your new hires with words of encouragement and SDIRC enthusiasm. So, we would like to welcome these teachers with a short video from each school. Won't you consider making a short video via Flipgrid (about one minute) using [THIS LINK](#)? Get as creative as you'd like. Please be sure to have your video finalized by Tuesday, July 28th. Thank you for your help with this. We are eager to meet and work with our newest SDIRC teachers.

We realize this is a lot of information, so please reach out should you have questions or concerns. We are always happy to help!

Happy FriYAY afternoon!

This is it! We are in the home stretch of the 19-20 school year. Students are finished as of Thursday, and after Friday, you start your much deserved summer break.

THANK YOU to the many who have successfully submitted their Mentor Logs. We appreciate your work on this. For those of you who have not turned in your documentation yet, please do so by Tuesday, May 26th. (We originally had the final collection date set for Monday, but it's Memorial Day, and we are off.) To be honest, do days count anymore? :)

Should you have questions regarding the Mentor Log, please reach out. We are happy to help!

Wishing you an enjoyable last week of school and HAPPY SUMMER!

Subject: Mentor Logs due - 5/25/2020

Good afternoon!

We hope your Monday is off to a great start! It's hard to believe we are in the home stretch of the school year - just this week and next to go!

As you already know, the Mentor Log is an important document that helps us tailor the support you are given from your school-based mentor. As new teacher, when you meet with your mentor, it's important for you focus on your current needs as a way to improve your pedagogy and increase student achievement.

Please be sure to submit your mentor log to Terri Beckham by Monday, May 25th. Keep these points in mind before submitting.

- Your responses from the 4th quarter survey are recorded in the "New Teacher's Needs" box
- New Teacher's name and ID number
- Mentor's name and ID number
- School
- START and END times for each time you met
- Detailed explanation of support including action steps, when applicable

- Total hours spent mentoring new teacher
- "Signature" of BOTH the new teacher and the mentor teacher.

If you would like a refresher on the Mentor Log, please click [HERE](#).

Should you have questions, please reach out. We are always happy to assist!

Subject: STAR Admin. Training Meeting / Ten with Terri on Teams/NTO Dates and Flipgrid

Good morning administrators.

This email serves several purposes, so please read all the way to the end.

- Our STAR Administrator Meeting is rescheduled for Monday, July 27th via Teams. Two time slots available for you to choose from - 8:30-9:15 or 11:15-12:00. [Click here to join the 8:30-9:15 meeting](#). [CLICK HERE to join the 11:15-12:00 meeting](#). If you prefer an email invite, please let Terri know which time you prefer, and she will happily send you an invite.
- Ten with Terri on Teams - We are setting up 10 minute Teams meetings with each school to review important beginning of the year information - new teacher roster, new hires, years of experience, mentor/mentee pairings, and Clinical Educator list. These ten minutes will be extremely beneficial and save us from miscommunication and many back and forth emails. These meetings are scheduled the week of August 3rd - 7th. [CLICK HERE TO SIGN UP FOR YOUR SLOT](#). Once you have chosen a date/time that works best for you, you will receive a calendar invite confirming the date/time. Within that calendar invite, there will be a link for us to meet via Teams.
- New Teacher Orientation Dates
 - Wednesday, July 29, 2020 from 3:00-5:00 pm at the District Office in the TEC
 - Teachers are encouraged to come during the two hour time frame to claim his/her IT account, obtain his/her name badge, visit vendors, and ask specific questions to payroll, HR, and benefits
 - Thursday, July 30, 2020 from 8:00 am - 4:00 pm at Vero Beach Elementary (all new hires regardless of years of experience)
 - Friday, July 31, 2020 from 8:30 am - 4:00 pm at Vero Beach Elementary (most of the day is designed for the novice teacher, but all are encouraged to attend)
- Speaking of New Teacher Orientation, we are excited to be able to meet face to face with all new hires, but we will have to adhere to social distancing guidelines. We will need to maintain at least six feet apart during this event and having only the new hires in attendance will help us adhere to CDC guidelines. We know that you want to be there to welcome and support your new hires with words of encouragement and SDIRC enthusiasm. So, we would like to welcome these teachers with a short

video from each school. Won't you consider making a short video via Flipgrid (about one minute) using [THIS LINK?](#) Get as creative as you'd like. Please be sure to have your video finalized by Tuesday, July 28th. Thank you for your help with this. We are eager to meet and work with our newest SDIRC teachers.

We realize this is a lot of information, so please reach out should you have questions or concerns. We are always happy to help!

Good morning administrators.

This email serves several purposes, so please read all the way to the end.

- Our STAR Administrator Meeting is rescheduled for Monday, July 27th via Teams. Two time slots available for you to choose from - 8:30-9:15 or 11:15-12:00. [Click here to join the 8:30-9:15 meeting.](#) [CLICK HERE to join the 11:15-12:00 meeting.](#) If you prefer an email invite, please let Terri know which time you prefer, and she will happily send you an invite.
- Ten with Terri on Teams - We are setting up 10 minute Teams meetings with each school to review important beginning of the year information - new teacher roster, new hires, years of experience, mentor/mentee pairings, and Clinical Educator list. These ten minutes will be extremely beneficial and save us from miscommunication and many back and forth emails. These meetings are scheduled the week of August 3rd - 7th. [CLICK HERE TO SIGN UP FOR YOUR SLOT.](#) Once you have chosen a date/time that works best for you, you will receive a calendar invite confirming the date/time. Within that calendar invite, there will be a link for us to meet via Teams.
- New Teacher Orientation Dates
 - Wednesday, July 29, 2020 from 3:00-5:00 pm at the District Office in the TEC
 - Teachers are encouraged to come during the two hour time frame to claim his/her IT account, obtain his/her name badge, visit vendors, and ask specific questions to payroll, HR, and benefits
 - Thursday, July 30, 2020 from 8:00 am - 4:00 pm at Vero Beach Elementary (all new hires regardless of years of experience)
 - Friday, July 31, 2020 from 8:30 am - 4:00 pm at Vero Beach Elementary (most of the day is designed for the novice teacher, but all are encouraged to attend)
- Speaking of New Teacher Orientation, we are excited to be able to meet face to face with all new hires, but we will have to adhere to social distancing guidelines. We will need to maintain at least six feet apart during this event and having only the new hires in attendance will help us adhere to CDC guidelines. We know that you want to be there to welcome and support your new hires with words of encouragement and SDIRC enthusiasm. So, we would like to welcome these teachers with a short video from each

school. Won't you consider making a short video via Flipgrid (about one minute) using [THIS LINK](#)? Get as creative as you'd like. Please be sure to have your video finalized by Tuesday, July 28th. Thank you for your help with this. We are eager to meet and work with our newest SDIRC teachers.

We realize this is a lot of information, so please reach out should you have questions or concerns. We are always happy to help!

Subject: STAR Admin. Training Meeting / Ten with Terri on Teams/NTO Dates and Flipgrid

Good morning administrators.

This email serves several purposes, so please read all the way to the end.

- Our STAR Administrator Meeting is rescheduled for Monday, July 27th via Teams. Two time slots available for you to choose from - 8:30-9:15 or 11:15-12:00. [Click here to join the 8:30-9:15 meeting.](#) [CLICK HERE to join the 11:15-12:00 meeting.](#) If you prefer an email invite, please let Terri know which time you prefer, and she will happily send you an invite.
- Ten with Terri on Teams - We are setting up 10 minute Teams meetings with each school to review important beginning of the year information - new teacher roster, new hires, years of experience, mentor/mentee pairings, and Clinical Educator list. These ten minutes will be extremely beneficial and save us from miscommunication and many back and forth emails. These meetings are scheduled the week of August 3rd - 7th. [CLICK HERE TO SIGN UP FOR YOUR SLOT.](#) Once you have chosen a date/time that works best for you, you will receive a calendar invite confirming the date/time. Within that calendar invite, there will be a link for us to meet via Teams.
- New Teacher Orientation Dates
 - Wednesday, July 29, 2020 from 3:00-5:00 pm at the District Office in the TEC
 - Teachers are encouraged to come during the two hour time frame to claim his/her IT account, obtain his/her name badge, visit vendors, and ask specific questions to payroll, HR, and benefits

- Thursday, July 30, 2020 from 8:00 am - 4:00 pm at Vero Beach Elementary (all new hires regardless of years of experience)
- Friday, July 31, 2020 from 8:30 am - 4:00 pm at Vero Beach Elementary (most of the day is designed for the novice teacher, but all are encouraged to attend)
- Speaking of New Teacher Orientation, we are excited to be able to meet face to face with all new hires, but we will have to adhere to social distancing guidelines. We will need to maintain at least six feet apart during this event and having only the new hires in attendance will help us adhere to CDC guidelines. We know that you want to be there to welcome and support your new hires with words of encouragement and SDIRC enthusiasm. So, we would like to welcome these teachers with a short video from each school. Won't you consider making a short video via Flipgrid (about one minute) using [THIS LINK](#)? Get as creative as you'd like. Please be sure to have your video finalized by Tuesday, July 28th. Thank you for your help with this. We are eager to meet and work with our newest SDIRC teachers.

We realize this is a lot of information, so please reach out should you have questions or concerns. We are always happy to help!

Hi Terri! I am the new AP at Oslo and will be the STAR Administrator. I do not have a SDIRC email address yet, so hopefully I will be set up before the meeting next Monday. Please sign me up for the 8:30-9:15 spot. If I do not have a SDIRC email by then, you can send an invite to this address. Thanks and looking forward to working with you!

Good morning administrators.

This email serves several purposes, so please read all the way to the end.

- Our STAR Administrator Meeting is rescheduled for Monday, July 27th via Teams. Two time slots available for you to choose from - 8:30-9:15 or 11:15-12:00. [Click here to join the 8:30-9:15 meeting.](#) [CLICK HERE to join](#)

[the 11:15-12:00 meeting](#). If you prefer an email invite, please let Terri know which time you prefer, and she will happily send you an invite.

- Ten with Terri on Teams - We are setting up 10 minute Teams meetings with each school to review important beginning of the year information - new teacher roster, new hires, years of experience, mentor/mentee pairings, and Clinical Educator list. These ten minutes will be extremely beneficial and save us from miscommunication and many back and forth emails. These meetings are scheduled the week of August 3rd - 7th. [CLICK HERE TO SIGN UP FOR YOUR SLOT](#). Once you have chosen a date/time that works best for you, you will receive a calendar invite confirming the date/time. Within that calendar invite, there will be a link for us to meet via Teams.
- New Teacher Orientation Dates
 - Wednesday, July 29, 2020 from 3:00-5:00 pm at the District Office in the TEC
 - Teachers are encouraged to come during the two hour time frame to claim his/her IT account, obtain his/her name badge, visit vendors, and ask specific questions to payroll, HR, and benefits
 - Thursday, July 30, 2020 from 8:00 am - 4:00 pm at Vero Beach Elementary (all new hires regardless of years of experience)
 - Friday, July 31, 2020 from 8:30 am - 4:00 pm at Vero Beach Elementary (most of the day is designed for the novice teacher, but all are encouraged to attend)
- Speaking of New Teacher Orientation, we are excited to be able to meet face to face with all new hires, but we will have to adhere to social distancing guidelines. We will need to maintain at least six feet apart during this event and having only the new hires in attendance will help us adhere to CDC guidelines. We know that you want to be there to welcome and support your new hires with words of encouragement and SDIRC enthusiasm. So, we would like to welcome these teachers with a short video from each school. Won't you consider making a short video via Flipgrid (about one minute) using [THIS LINK](#)? Get as creative as you'd like. Please be sure to have your video finalized by Tuesday, July 28th. Thank you for your help with this. We are eager to meet and work with our newest SDIRC teachers.

We realize this is a lot of information, so please reach out should you have questions or concerns. We are always happy to help!

Yes, we will have some changes. Working on getting a few more people hired. Question – how often are STARR meetings to occur? Once per month? Also, regarding an orientation – do you have something that has been used in the past that can be shared regarding the mission and vision of the STARR program, etc? Otherwise, I'm assuming it is mostly for letting them meet their mentors and getting any major questions answered..?? Thanks again for your help and support!

Hi Terri,

Here is our updated information.

So Kolb and Guincho are no longer at our school as of this week. Kolb went to teach at Sebastian Charter to be with her son and Guincho is going to teach virtual outside of our school district.

Also, Cathcart is now at SGMS as a Guidance Counselor.

Our two new staff members at this point are Mrs. Simmons-Scott, 3rd grade, coming to us from St. Lucie County with I believe 5 years experience and Attaba Patterson, 5th grade teacher, coming to us from VBE. Both are African American.

Clin Ed names misspelled
Christine Mackey
Michelle Zitsch

Yes, I believe Stacey Miller will still be our PDC Rep.

Can you please confirm that the following teachers will be the teachers needing mentors, all level 3:

Lori Melcer - year 3 here at DTE
Suzanne Alker-Lang - Completed year 3 here at DTE
Jennifer DeBenedet - Completed year 3 here at DTE
Chelsea Greenberg - Completed year 3 here at DTE

Thank you,

Good evening Robyn,

I hope you are having a great week.

I am excited to meet our counselors and have them join NTO this week! I was curious about how you would like to handle their support. If they are new to SDIRC or the position, do you want them to have a school based mentor? I look forward to hearing back from you.

Hi Terri,

I have two things for you. Laura Glunt (316-706-1450) just accepted a position at Vero Beach High School today. She will be our new Chorus teacher. I did inform her that there was new teacher orientation tomorrow, but I didn't know if she could go or not, because she hasn't been officially board approved? Second, Rashard Morgan will be taking over the new teacher mentor activities at VBHS this year. I have copied him on this email. Have a great day! And thanks for getting our new teachers all setup! Our instructional coaches were very impressed with not only our new group of teachers, but with the activities they were working on today!

Hi! The pairs that I have currently assigned are attached (I don't know if Chris Rizotti with Cole Cairol was on the original list).

Questions:

1. Sherry White has asked to step down as PDC rep. Joanna Roux may be willing to take it on but she is concerned about the evening commitments. Can you tell me more about this position and its requirements so that I can make sure I get someone who is the right fit? Also, does it pay a stipend?
2. Does Bryan Henley still need to complete the STARR program? He is entering his 4th year although he is still on a temporary certificate (it has been extended due to COVID)

Hi KP!

Attached is the PowerPoint from today's session. You will not need to attend the monthly STAR meetings as you have already met that requirement.

Your new mentor will be **Betty Barth**.

Thanks so much! Please don't hesitate to reach out if you have any questions, comments, or celebrations!

Good afternoon.

I sent you a calendar invite for Wednesday, as requested.

On a side note, Stephen Brecher was at GMS for three years and has earned his Professional Teaching Cert. He is new to VBHS this year and could benefit from a peer who can show him the ropes of how things are done at VBHS. He has completed the STARR New Teacher Program. 😊

Thank you!
