(Please summarize any reflections based upon action step implementation for the quarter. What are areas of progress or opportunities for growth? What are next steps based upon work accomplished?)

The Offices of Communications and Student Affairs, Advocacy, and Access collaborated on the creation of a comprehensive resource – entitled The Champions List – to outline all available extracurricular activities offered at each location. During the month of January, the final draft publications were emailed to school administrators for final review and approval.

Paper versions of the publication are available at each school location. Additionally, all Champions List links are accessible by visiting www.IndianRiverSchools.org/schools/Champions_List or visit your school website and click 'Champions List' from the 'About Our School' webpage.

Subject: GES Champions List - Ready for Review and Approval

Hello, Ms. Flores,

At the beginning of the school year we asked our school administrator teams to identify a list of extracurricular activities offered on their campus, provide a brief description of extracurricular, and select photos to highlight student participation in extracurriculars. The Offices of Communications and Student Affairs, Advocacy, and Access collaborated on the creation of a comprehensive resource – entitled The Champions List – to outline all available extracurricular activities offered at each location.

The intent of the Champions List is to provide our families and community partners with a detailed narrative of the extracurricular activities offered by each school location – a complement to School Choice programming and marketing materials. Additionally, The Champions List will support the district’s compliance with F.S. 1014.05 (e) Procedures, pursuant to s. 1006.195(1)(a), for a parent to learn about the nature and purpose of clubs and activities offered at his or her minor child’s school, including those that are extracurricular or part of the school curriculum.

As a gentle reminder, section 1006.15(2), Florida Statutes, defines extracurricular activities as “any school-authorized or education-related activity occurring during or outside the regular instructional school day;”

ACTION STEP:

- If the attached document accurately outlines all extracurriculars – academic and athletic – offered at your school location, please reply to [this email communication](#) with your approval to proceed with printing.
- If you wish to update the publication, we ask that you email [Ms. Cristen Maddux](#) and cc [Ms. Sara Milliman](#) by the close of business February 1, 2022. Updates may include the removal or addition of extracurriculars, revision of supporting descriptions for extracurriculars, or the update and submission of recent photos.

**Please note, if no response is received by the close of business on February 1, we will proceed with the printing process.*

Warmest regards,

[Kyra Schafte, Ed.D.](#)
